

JOHN LIAN NERECINA

BS Computer Science Student • DOST-SEI Scholar • Data & QA Professional
Metro Manila, Philippines • johnliannerecina@gmail.com • [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Detail-oriented Computer Science student at New Era University and DOST-SEI Scholar with 2+ years of professional experience handling sensitive data at a market research firm. Specialized in PII management, privacy compliance, and rigorous data validation, with a security-first mindset cultivated through real-world quality assurance roles. Currently merging a professional foundation in data integrity with academic coursework in relational databases and artificial intelligence to build robust, secure, full-stack web applications. Brings meticulous attention to detail, strong ethical grounding, and a proven ability to deliver accurate results under tight deadlines.

TECHNICAL SKILLS

Languages & Databases: SQL (Relational DB) | Python | JavaScript | HTML/CSS

Tools & Platforms: GitHub | Microsoft Excel | Oracle Cloud Infrastructure | VS Code

Methodologies: Agile | Data Validation & QA | PII / Data Privacy Compliance | Informed Consent Auditing

Concepts: Web Development | AI/ML Fundamentals | Cybersecurity Basics | Web Penetration Testing

Soft Skills: Attention to Detail | Cross-functional Communication | Time Management | Ethical Reasoning

PROFESSIONAL EXPERIENCE

Quality Checker

December 2025 – Present

COnsumer REpubliQ Inc. • Shaw Blvd., Pasig City, Philippines

- ▶ Securely handle and process sensitive Personally Identifiable Information (PII) of survey respondents in strict compliance with data privacy regulations.
- ▶ Maintain and update internal databases with verified and rejected entry statuses, ensuring data integrity across all research records.
- ▶ Conduct callback audits by contacting survey respondents to verify participation and confirm accuracy of key demographic data and specific interview responses.
- ▶ Validate that ethical protocols and Informed Consent procedures were properly followed by field interviewers before approving submissions.
- ▶ Document and categorize findings, errors, and data discrepancies in a centralized tracking system, producing actionable feedback reports for Field Managers.
- ▶ Contribute to continuous improvement of interviewer performance and data collection standards through systematic quality reporting.

Telephone Interviewer

February 2025 – Present

COnsumer REpubliQ Inc. • Shaw Blvd., Pasig City, Philippines

- ▶ Conduct structured phone interviews to gather consumer insights for market research projects covering product launches, assessments, and market trends.
- ▶ Engage professionally with a diverse respondent pool to elicit high-quality, unbiased data while maintaining strong rapport and encouraging detailed responses.
- ▶ Adhere strictly to company protocols, ethical guidelines, and data confidentiality standards to protect respondent information and ensure regulatory compliance.
- ▶ Consistently meet tight research deadlines by managing call schedules effectively, delivering reliable results that support data-driven business recommendations.

Audio Transcriber

November 2023 – January 2025

Consumer REpubliQ Inc. • Shaw Blvd., Pasig City, Philippines

- ▶ Transcribed audio recordings from focus group discussions and qualitative research sessions with high accuracy and attention to linguistic nuance.
- ▶ Delivered polished transcriptions consistently within tight project deadlines, supporting the research team's analytical workflows.

Inventory Management Intern (Work Immersion)

March 2023 – April 2023

Healthcare Pharmacy • Limay, Bataan, Philippines

- ▶ Digitized manual stock records into Microsoft Excel, building an organized inventory database that improved product tracking efficiency.
- ▶ Conducted daily audits of health products for expiration dates, maintaining 100% safety compliance throughout the internship period.
- ▶ Monitored stock levels and optimized the morning restocking workflow, contributing to smoother daily store operations.

EDUCATION

Bachelor of Science in Computer Science

January 2023 – August 2027 (Expected)

New Era University • Quezon City, Metro Manila

DOST-SEI Undergraduate Scholar • President's Lister, 1st Semester AY 2024–2025

Senior High School – STEM Track

August 2021 – June 2023

Lamiao National High School • Limay, Bataan

LICENSES & CERTIFICATIONS

- ▶ Oracle Cloud Infrastructure 2024 Certified Foundations Associate
- ▶ Web Penetration Testing 101
- ▶ AI for Beginners
- ▶ Power UP your PASSION: Careers in Gaming World
- ▶ Life After Graduation: The Reality No One Talks About

HONORS & AWARDS

- ▶ President's Lister – New Era University, 1st Semester AY 2024–2025

- ▶ DOST-SEI Undergraduate Scholarship Qualifier Award – Department of Science and Technology
- ▶ Merit Award – Hong Kong International Science Olympiad (2022)
- ▶ 2nd Place – Division Science & Technology Fair (2021)
- ▶ Service Awardee – Association of Computing and Studies (ACSS)
